It's with a very heavy heart I'm selling my lovely little caravan. I brought this last October with visions of setting off on adventures this summer. Unfortunately that is unable to happen now because of a long term health condition meaning I'm unable travel.

This caravan is a perfect starter van. It is warm, cozy and dry as a bone, no damp whatsoever and in very clean and good condition throughout. Obviously as its a older van there are the usual little scuffs etc, however for its age it's an excellent example. It comes with everything you need to get going, porch awning and portable solar panel for battery charging. Bathroom has shower and cassette type toilet, hot/cold water (brand new water pump) oven and sink in end kitchen. The living area in this van is absolutely lovely. The seats are clea and in immaculate condition. This really is a super caravan for anyone just starting out.

Any inspection welcome, caravan is stored in the.
