I am a professional female chimney sweep and an accredited member of The Guild of Master Chimney Sweeps. I provide services throughout the Huddersfield and Manchester area. I pride myself in offering a friendly, professional, reliable and superior service of the very highest standard to ensure that my customers come back year after year. As I am fully qualified you can also be assured that all work carried out will comply with the current building regulations. I undertake all aspects of domestic and commercial properties, including public houses, restaurants, landlords, letting agencies and housing associations. Every appliance I sweep is to the approved industry standard code of practice. I use a combination of traditional rods and brushes, modern rotary power sweeping equipment and a high powered industrial vacuum. A smoke test will be performed after every sweep to ensure your chimney is operating correctly and a certificate will be issued to you. This certificate states your chimney flue has been swept in accordance with the National Industry Standard and is recognised by all leading insurance companies. In addition I am fully insured.;
