This lightweight 4 berth twin dinette caravan is easy to tow, comfortable, well fitted and in very good condition. The Powrtouch motor mover makes it simple to manoeuvre. Front seats make into a large double bed and the centre dinette can become 2 bunk beds. Lovely big end bathroom with built in wardrobe and drawers. Fittings include built in microwave, cooker with hob, oven and grill and a good sized Thetford fridge with freezer compartment. Removable carpets, blown air gas or electric heating, gas/electric hot water, built in radio/CD player and TV aerial. Price includes gas bottle, Aquaroll and Wastemaster both nearly new, lightweight Sunncamp 260 Ultima awning and also a sturdy Quest Elite Bleinheim fullsize awning hardly used excellent condition, with set of special clamps to attach it to the caravan awning rail. Outside power and gas barbecue points, plus outside water shower connector. These vans are designed for both comfort and convenience. We bought the van in 2013, virtually new condition, and unfortunately due to health problems have only taken it away 5 times since then. Recently serviced, new wheel to jockey, new nearside wheel and spare wheel fitted under van. There are two small dents high up on the side (surface only) see last photo. The van is stored on our premises, available for viewing by arrangement. Just sad not to be caravanning any.
