Hi there. We are selling our Fiat Ducato CI carioca 656 6 berth motorhome, it was first registered 09.05.03 and has covered 23k. Tax for 6 months and mot 11 months. It was fully serviced at 22,500 miles with all belts and tensioners being changed at this time.

This is a 2 litre 5 speed diesel engine which makes it very economical, pulls and drives great. It is 6 berth with fixed rear bunks, the lower bunk lifts up to convert into a large garage. It has a large kitchen area with lots of work space It also has a fitted microwave, a 4 ring hob and grill. The wardrobe has plenty of space to hang clothing up and has a shoe cupboard underneath. The bed the cab is huge and extremely comfortable. It has a side window up at the top which is lovely in the summer. The dining area will seat 6 people in comfort, this converts into a double bed too which makes it 6 berth. The bathroom is a good size with a fantastic separate shower, wash basin and thetford toilet with electric flush. It has a 120 litre on board water tank and waste tank. All the blown air heating pipes in the garage have been boxed in so there is no danger of piercing these and it makes very useful storage space, I will try and add a picture. Comes with a gas bottle, cycle rack, tow bar (we fitted this 6 months ago but it has never towed, we just wanted to add a motorbike carrier to it which we did), alloy wheels, tracker, electronic safe, Fiamma F45 canopy with full safari room (the safari room has never been used and cost £2k), wind deflectors, bike cave (freestanding bike tent which will house 2 bikes, table, chairs etc and secures your pitch upon return), connector to fill the water tank. It has 3 sets of keys, 2 main sets and a set which are simply for the doors. There are some age related marks but overall it is in good condition. There is plenty of cupboard space for clothes and food, just need to get in, put your things in and drive away. Please leave your mobile number or email for a faster.
