1999 V reg Mercedes Benz 280 SL in silver. 69k miles with full stamped service history, MOT until March 2017, 3 owners inc. transfer from Father to daughter. Matching unmarked silver hard top, fully functional blue cloth convertible roof, grey leather interior with rare folding rear seats, climate control aircon, original diamond cut alloys. This car is in excellent order, having been regularly serviced, the engine gearbox and running gear are A1, no knocks, bangs or crunches and no advisories on the last MOT in March. The bodywork is again A1, no dents, scratches or shoddy accident repairs & is HPI clear. The convertible roof works exactly as it should and has no rips tears or other damage & the hard top is unmarked with working electrics. The alloys are spotless bar a tiny bit of kerb rash on NSF. Front tyres are 6 months old (7mm) rear have an average of 5-6mm tread. The interior is in excellent order, no rips tears or stains and very little wear. All the buttons and switches work as they should and the aircon blows cold. We have the V5, all previous MOT's, the original smart wallet, all manuals, the stamped service book& tons of receipts. This is an excellent example of a 280 SL and a great investment as prices are rising for the R129. The Car is situated in East Sussex TN22.
