Honda CBR 125R 2010. 11,116 miles (might have a few more miles as i'm currently using the bike) MOT until March 2017 with no advisory's. 2 keys. Yoshimura exhaust system worth about £500. A few scruffs as shown in pictures from getting it in and out of the garage. runs smooth. Just had new chain and front & rear sprockets. will consider sensible offers. Test drive welcome with full amount cash deposit. first to see will love it it's a really nice & reliable bike. May swap for ktm 125 on road, rm 125 on road or a decent 125 power banded.
