

I worked on the radio in Yorkshire for Magic 828 doing readings for over 5 years. I have also done plenty of corporate shows around most of the UK, which consisted of Humour, Singing and of course Clairvoyance.

I am a very bubbly person with a great sense of humour and when doing readings I say it as it is! Well I do, I work in a less than ideal job, I'm very hard on myself. Most of my clients love me, they get straight to the point. I do your reading, I usually need to know your date of birth and a few other's, but you'd like me, I'd like you, or I'd like to go from you.
