FREE Insulation with you-tility.co.uk FREE insulation is once again available for UK homes, private rented or privately owned. There is no benefit qualification and no income cap to qualify for funding, if you need insulation you can have it. Loft Insulation is still one of the most effective forms of preventing heat loss from the home, available free to all private owned and rented houses. Cavity Wall Insulation alongside loft insulation is great way of keeping the home warm, the average house in the UK loses 35% of its heat through its walls. Remember this offer is FREE to all private rented or privately owned properties and will not be around forever, so get yours while you can. Apply now, before it's too late - visit <http://www.you-tility.co.uk/free-insulation/4587084268> and we'll get your application started. This offer is not available to council or social housing:(
