

Carrera Kashmir (55 GBP)

Location **South East, West Sussex** https://www.freeadsz.co.uk/x-367985-z

Large 20" frame - suggested rider height 5' 9" - 6' 0". This bike has a siezed seatpost. Saddle height is roughly 98cm from the ground so it will either fit you as-is, or it won't. Other than that it's a fully working men's mountain bike. Good tyres, excellent cantilever brakes front & rear and 21 fully functioning Shimano trigger-shift gears with Altus rear mech. Would make a perfect station/pub. .
