2005 MG ZS+ With Mot May 2017 5 Door Manual.
 In excellent condition that has been well maintained & cared for by the previous owner& this reflects on the way it looks & drives. Alloys, aircon, power steering, electric mirrors & windows, tilt steering, raio/cd player, part leather interior etc. The interior is very good condition & comfortable, about the only bit of wear is on the back bottom of drivers seat but can barely see it. The body work is excellent for an 11 year old car with a nice deep shine, there are a few marks here & there but nothing ugly, the alloys wheels are also in very good condition with obvious marks here & there but no major curbing. The engine bay is also very clean with no signs of fluid leaks. Its a fantastic fun car to drive with good acceleration yet good fuel economy & has a nice deep roar. The engine & gearbox are very good with no signs of head gasket problems which seem to be a problem with some of these cars. We recently bought this car to use as a courtesy car for a business we where starting but financial situation means we have to sell. The car passed its Mot with only 1 advisorie which is the front tyre is a bit worn the other 3 are all good so please bare this in mindl asked the mechanic that done the Mot to have a general look over the car & he found no fluid leaks & over all said it was very.
