I am a friendly and approachable person who is expected to achieve an upper 2:1 degree from Keele University. I then plan to study the Bar Professional Training Course in September at the University of Law in Birmingham. Having studied law for the previous 5 years myself, I can share with you my own personal revision techniques, advice and experience which can help you achieve the best marks possible. I have had experience tutoring in an informal setting for the past 2 years, where I have tutored friends and family members in a variety of GCSE and A-level subjects. I have worked with a variety of people and i can tailor my teaching to your preferred learning style. I am fully mobile and able to commute to your home address (distance permitting) and offer both 1 and 2 hour sessions. I am also available to be contacted via e-mail, where I am happy to answer questions relating to the subject areas we have, or will,.
