The phone is almost as new, screen was replaced recently so the surrounds are clean and new. It has a screen protector on it that has a few marks, have not removed it as I don't mind them and cant get the new ones on as well as this one is on.

It comes with mains original box, charger, 2 spare batteries, a separate battery charger, spare amoled screen protector, waterproof case, slimline blue case, heavier black case, brand new carbon look flip case, used black flip case, stylus and spare rear camera. Also have the unlock code and freeze code. Can deliver within 10 mile of Tunbridge Wells or Hook,.
