

# Gaggenau undercounter integrated fridge-freezer at a fraction of price (499 GBP)

Location **London, London**  
<https://www.freeadsz.co.uk/x-368752-z>

I can sell at a fraction of the price a Gaggenau undercounter fully integrated fridge-freezer, model RT200 202 in good conditions. Price of a new one is well over 1,000.

it comes with a Boffi mat laquer white handleless wooden door which you can replace with your kitchen's manufacturer door. The instructions booklet is included.

With a 4-star freezer compartment, automatic defrosting with evaporation of condensation water and bright interior lighting, the RT 200 features advanced cooling technology with a net volume of 123 litres. The energy efficiency class A++ indicates particularly low energy consumption.

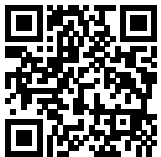

Adjustable temperature control for your food storage
