Brand new in box never opened. Unwanted gift as already have an Ipad and kindle fire. Spec and size are shown on the pictures. This was bought online for £90 don't know where from though but there are so many available out there. Also comes with pink silicone case that was also bought with it from the same place so that it is the right size for the tablet.

Open to close offers as this is still brand new they will have to be close. Can deliver locally as I'm out and about all the time.
