2008 "58", ONE OWNER. One of only 100 Aeromaxs, and as a manual even rarer, as only 6/7 RHD UK Manual cars were made. Finished in Stingray Grey, with Turned Aluminium Dash, Air Conditioning, Satellite Navigation, Sports Exhaust. One Celebrity Owner from new, and very rare. Harry Metcalfe writing in this week's Sunday Times rated the Aero as one of his "50 Best Supercars"... "There will only ever be one Morgan Aeromax. Its looks make it unmistakable, and you can be assured of admiring glances at the best parties, even if everyone is driving Bentleys and Porsches..it ranks as one of the most bohemian and original cars you can buy." // Option of having on either Dark Grey Wheels or Silver Wheels, whichever preferred. //

Air Conditioning, Satellite
