Self employed working single mum and child are looking for a new home within 7 miles of Brighton along the coastline. We cycle everywhere, not wishing to be up any steep hills. I work in Southwick, ideally we would prefer to be around this area. We are looking to move as soon as a property becomes available, as we currently live in Hollingbury, which is too far, and too many hills. We are very quiet, and need a home in a quiet area preferably ground floor, and courtyard would be fabulous too! We need a large double bedroom, and living room. I am also a fully qualified massage/beauty therapist, so looking to work from home in the future. I am working full time, unfortunately I need to have my rent boosted with housing benefit, which guarantees you will receive regular payments. Please contact me, if you have anything suitable, we can move quickly. Thank!
