This is a great caravan in excellent condition. Has a seating area at the front of the van with a sky light on top over this brings a great amount light through the day.

The living area is a large size over 3000 hobs and a electric. Plenty of work top space. The kitchen has hot and cold water. Can cook with gas or electric both work. Inside has a heater works of gas as well as electric very easy to work and heats up pretty quick. You have blow away heating as well which is fitted all the way through the caravan which gets the heat all through the van. The washroom is at the rear end of the van, there is a swivel toilet, sink and a separate shower on the left hand side. This is a single axle caravan, easy to tow, tyres are good too.
