This is a great caravan in excellent condition. Has a cosy rear fixed bed. There are 3 heiki sky roof lights. The fridge is great and works through the side.

There is a great area for the size of the caravan. Plenty of work top space. There is motor movers fitted to the caravan which are great extra to have powered by the battery simply turn on your remote control and direct your caravan where you want it to go. Very handy for when parking caravans. It is supplied and the motor movers cost £1000 so it's a great extra to have fitted with the caravan.

Caravan also has hot/cold water. Can simply heat water by gas or electric by using the inside switches. Also heater works of gas as well as electric very easy to work and heats up pretty quick. You have blow a heating as well which is fitted all the way through the caravan which gets the heat all through the van.

The washroom is at the rear end of the van at the side. There is a swivel toilet and a shower.
This is a single axle caravan, easy to tow, tyres are good too. Light towing weight.
