This is a great caravan in very good condition. Has a seating area at the front of the van. In the kitchen area there is a full size oven, 4 gas hobs. Plenty of work top space.

Caravan also has hot/cold water. Can simply heat water by gas by using the inside switches. Also heater

works of gas very easy to work and heats up pretty quick. You have blow air heating as well which is fine for the way this caravan is. The heater is at the back of the van.

The washroom is at the rear of the van. There is a sink, toilet, and a separate shower. There is a gas tank and a gas switch for the tank and a gas switch for the shower.

This is a single axle caravan, easy to tow, tyres are good too.

Has all the paperwork to help get you started.
