This is a great caravan. Has a seating area at the front of the van with a sky light on top over this brings a great amount light during through the day.

In the kitchen area there is a full size oven, 4 gas hobs. Plenty of work top space.

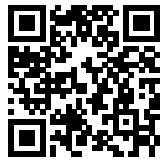

Caravan also has hot/cold water. Can simply heat water by gas or electric by using the inside switches. The water works down as electric is easy to use. You have a hot water tank that sits up in the roof. You have a cold water tank as well. It has all the things that you need to get the caravan through the winter. The caravan is a 2 berth and of the 2 berth the left hand side has a shower, toilet, sink and a small table.

This is a single axle caravan, easy to tow, tyres are good too.
