Jaguar x type LPG kit fitted dark blue with grey unmarked leather, bodywork good ,all mots, part history,11mths MOT+ taxed later alloys, good tyres, recent pads oil and filter change, very quiet engine good clutch and 5 speed gearbox very smooth on the road had Vic in 09 , drives fine ,my car for nearly 2 yrs, good on fuel 30 ish around town 40+on M/way sadly to be sold spares or repair as sometimes hesitates when accelerating (been told its an air leak) but I cant find it ! I just short shift and its fine and will go on to be illegal on the motorway with ease! Drive it away, fix it or drive as is its a very presentable motor Im looking for £ 500 the LPG systems (Could maybe be swapped to another car) is worth that already, but Im open to reasonable offers maybe cheap p/x WHY Or decent Guitar and Amp cash my way mob+text only thanks Jay (10 pm cut off for calls thanks) IF ADS STILL SHOWING ITS STILL HERE THANKS ! ;
