Hi. I'm an easy going being, who spends most of the sun in nature or gardening, or movies and you tube when the clouds roll in.

There is a small double room available in a large static home on a cliff, overlooking the sea. In this manicured park with surrounding nature walks and a small forest, I've found a peaceful and quiet environment uniquely close to Brighton.

20 min from Brighton on the 12a or less on the elusive 12x bus. All mod cons, double glazed, central heated and internet. £350 pcm excluding gas done periodically. The lounge doubles as my room, compensated by lower rent. I'm currently smoking but can be accommodating.

Thanks for
