The Bailey Unicorn Cordoba offers Bailey customers this best-selling layout as a twin axle variant for the first time. Using a clever twist on established designs Bailey has re-located the wardrobe into a spacious ensuite end-washroom which also includes a free-standing domestic style shower cubicle. This in turn frees up space in the middle of the vehicle which allows for the installation of the double-door 190 litre Dometic fridge freezer opposite a fully-equipped central kitchen. A spacious front lounge, featuring full length parallel front beds and signature opening vertical skylight finishes off a layout which can accommodate up to four people in absolute comfort.
