This stylish and trendy over-the-head, Around-the-ear style adjustable circumaural headphone provides great sound quality and acoustic experience while playing gamings on your devices with 3.5mm jack. Lightweight and comfortable, the closed circumaural design creates a perfect barrier between the ambient sound sources and your ears, blocking unwanted outside noises Soft ear cushions and adjustable headband provides you a comfortable wearing experience.

Features:

Professional over ear bass gaming headset.

3.5mm plug with omnidirectional microphone and volume control.

Standard 40mm Hi-Fi driver, high sensitive and more powerful magnetic property.

Environmental adjustable headband with soft cushion and stretching design, excellent elasticity, comfortable to wear.

Sealed circumaural design creates a perfect barrier between the ambient sound sources and your ears, blocking unwanted outside noises.

Soft leather cushion head-pad and ear-pad for wearing comfort.

Excellent sound effect and great audio quality.

Exquisite craftsmanship and fashionable appearance.

Compatible for all 3.5mm and USB jack devices, for PC laptop computers tablet notebook, etc.

Note: The 3.5mm connectors fit for laptop or desktop with microphone and audio jack separated rather than for those with microphone and audio jack two-in-one.
