She is 1 year old. She was born in Hungary, from pedigree parents, but she has no pedigree. She is a beautiful bitch, very playful, very friendly, well socialized to children and other dogs, but she never had contact with cats. I would like to sell, because I don't have enough room. There are reconstruction works going on in our place. Also I have no time to walk all day, every day. I would like to make her a better life. Her vaccination is up to date and she is micro-chipped, house trained. She has a pet passport. The pictures were taken when.
