Self esteem, self confidence and personal development are high on my list of coaching points alongside extending your range, building muscle support and working on breathing, recording and live performance techniques. Beginner to intermediate acoustic guitar lessons. Covering chords, posture, feel, finger styles and live performance. All whilst playing your favorite tracks!

We'll work on building your confidence and cover live performance, recording technique. Please contact me with any questions at all. No question too silly. I'm based on Bramley Green, Angmering and have an advanced DBS (CRB check) so can and will teach all ages. Further information is available on my site at <http://www.paulbrigstock.com/> Speak soon!
