Old teak wood photo frame was designed and carved by my grandfather nearly 100 years ago. We are in the business of fine arts, wood carpentry, wood carving, Temple making with teak wood and Silver and Gold carving since last 5 generations. This photo frame has been in our family for several generations but our children have decided to venture into different professions. So we would like to sell it off. The frame is 36" long and 60" high. This would be perfect for decorative pictures in your large house etc. Shipping, handling and insurance shall be.
