Pink gyrobike suitable for age approx. 3-5. 12 inch wheels. Has pedals fitted but can be removed to use as a balance bike. My child did not need stabilisers because she used this as a balance bike first. As soon as we put the pedals on she was riding. Has front brake, and adjustable saddle and handlebars. It has been well loved and used because it is such a great bike so is not in perfect condition, but your child should still get lots out of.
