Very sad sale of our beloved border collie (lassie) she's 9 months old, excellent with kids and other dogs, not too keen on cats, fun loving very happy pup, she loves going out walks, great off lead in large spaces, house trained, lassie is a very clever dog, so sad and very reluctant sale but I have new job and just don't have the time that she needs. She is very loving and loves cuddles. I have 6 year old and she is excellent with her. She is up to date with all jags, worked and fleed, she is microchipped as well which the name and details can be changed. She will come with lead, harness collar, dog bowls and her favourite toy. So sad to see her go but I just don't have the time to give her. First to see this beauty will snatch her up, she's just gorgeous. She also loves to be groomed, she likes to be pampered once in a.
