Graphics designer, photographer and video creation,
Enthusiastic BSc Computing student with extensive peer mentoring experience. Looking to help local companies and small business with raising their profile which will enhance my communication and design skills further. I use a simplistic, minimalistic and efficient method when it comes to designing products and services.
Services I can offer:
- Logo, banner and icon design.
- Design posters, leaflets and business cards.
- Company headed letter.
- Advertisement board and placards.
- 2D Character and animation creation using Adobe Animate and Adobe Illustrator.
- Professional cooperate and company video production.
- Background video creation using JavaScript and CSS3.
- High quality photography picture taking.
- Photo editing, manipulation and enhancement.
- Photographic pictures of your products and services.
- 3D Animation and modelling using Autodesk Maya and Sketch Up.
- Product design and implementation using AutoCAD.
- Storyboards designed using Adobe Photoshop.
- Digital and cardboard prototype mock ups.
- Game play, layout and background design.
- Digital and graphical user interface design.
- Newly created website design.
- Application and Windows form design using Microsoft Visual Studio.
- Essays and punctual assignments using Microsoft Word, Excel and PowerPoint.
- Brochure, booklet and portfolio design.
- Website creation using Notepad++ and Aptana Studio.
- Graphs and network visualisation using Tulip and Concorde.

CV, references and a clean DBS certificate (Formerly known as a Criminal Record Bureau check) can be seen in the uploaded pictures.
