These 2 wonderful sofas are only up for sale as we have changed colouring in our living room and I am a bit sad to let them leave, as they have served me so well. I will consider selling them individually for £80 They originally cost me over £2000 from Alders of Croydon and the money was well spent as they have not sagged, broken, pulled or torn, so are in great condition and really comfy. The seat and back covers are removable and machine washable, as are the cushion covers. (this has been done for the lucky buyer) There are a few tiny marks on the arms but are not really noticeable unless you look up close. We also have a footstool included, although not totally a match, it's not too far off. The sofas have remained in a good solid structure, so must be made of good stuff I can see them going on forever! I can arrange viewings beforehand or take further photos if you are interested. Size details are as follows Width 2.18m Depth 89cm Height 92cm. I am 1 mile from Gatwick Airport and obviously you will need a van to transport them. Also on other local.
