Lovely low bedroom chair, perfect re-upholstery project. (Pc046) We would recommend removing what's left of the cane work and putting in webbing, hessian & new foam etc. There is just enough of a fixing point to be able to do this and this would look great upholstered in a bright modern fabric. The frame itself is in very good condition. This is a low chair which is why it would be good for a bedroom but could also be used as a child's chair or 'Time out' chair. 1 meter of fabric would be plenty to cover this and we have over 150 fabrics in-store to choose from ranging from £8 - £15 per meter. Complete yourself or commission our in-house team to upholster for you, (prices vary depending on requirements). £19 Postage is the cost of our local delivery service to a ground floor location.
