Large Gate Leg Table. Would make a great upcycle project. No damage, could just do with a sand off to bring it back to it's former glory as the varnish is worn as per the photos. I think this is Oak but please judge for yourself. The dimensions are - Height: 76 cm Length when open: 133 cm Width when closed: 43 cm. Collection only, please make sure this will fit in your vehicle before collecting and please only enquire if you do actually intend to come and view. £20 no.
