Boardman Road Team Carbon Bike 2016 brand new , never been on the road !! The Boardman Road Team Carbon Bike is based around Boardman's SLR Endurance C7 carbon frame and fork providing unparalleled power transfer, comfort and handling. Speced with the all-new smooth and precise Shimano Tiagra gearset, powerful Tektro dual pivot brakes and fast rolling low profile Vittoria tyres, the Road Team carbon provides a sublime ride experience, along with the performance to keep up with your ambition

Frame: Super light and responsive C7 SLR Endurance carbon frame damps road vibration without compromising stiffness
 Forks: Full carbon fork with tapered steerer is accurate and comfortable
 Gears: 2x10 speed Shimano Tiagra brings slick and reliable shifting with the same comfortable shifter ergonomics as pro-level
