Here we have a immaculate example of a Piaggio Beverly that has only covered 479 miles from new by its former keeper. The 330cc engine gives the Beverly plenty of poke around town and out on the road and the handling inspires confidence. The bike has ABS to help improve vehicle control and decrease stopping distances. Also fitted with a centre stand to make washing and maintenance a whole lot easier. Viewing is welcome any time and we guarantee you will not be disappointed. Give us a call on 01246 860046 01246 8600...(click to reveal full phone number) for more info or pop in and view the bike at CMC Clay Cross. We also offer nationwide delivery, so if you prefer us to bring the bike to you just let us.
