

Kawasaki ER 2007 (20 GBP)

Location **Wales, Gwent**
<https://www.freeadsz.co.uk/x-371514-z>

Very tidy with usual age related marks,completely standard apart from end can (original will be included)
New bridgestones,pads,chain,sprockets,plugs,filters,fluids around 1000 miles ago,little service history but well looked after. Good commuter with a bit of poke when needed. Mot out in September and only considering selling as I have bought a new!
