I have been teaching psychic and mediumship development for over ten years. Although I use the word teaching I feel it is more about sharing my knowledge and experience in helping you to find ways to explore and develop your own psychic and mediumship skills in a safe and grounded way in a secure environment. You will discover how to receive information, work with it and interpret it for the benefit and understanding of yourself and others. During these classes you will also learn how to establish a connection with Spirit in order to receive information and guidance. We will explore many different techniques, such as learning to see the Aura and psychic protection, enabling you to grow in confidence. Development classes are held on alternate Monday evenings from 7:30 pm to 9:00 pm and are suitable for both beginners and more advanced students. The cost of the class is £10 per evening.
