To be held on four consecutive Sundays in July. Starting on the 3rd July and then on the 10th, 17th and 24th July. This course will give you the skills and techniques to help you to heal yourself and others. As an energy healer you will learn the ability to see the person as a whole and connect beyond the physical body by using the universal energy that is all around us, to help restore the body, mind and soul to a state of balance and harmony. If you have a strong caring nature it's almost certain you have the ability to become a healer. You can become certified in the exciting field of energy healing. The course runs from 10.30 am until 4.30 pm on each of the days. The cost of the course is £275 and you will receive a written Manual and Certificate at the end. A non-refundable deposit of £50 will secure your place.
