

# Nails, Waxing

Location **South East, Oxfordshire**  
<https://www.freeadsz.co.uk/x-371718-z>

Welcome to my little cozy salon at home. I have years of experience doing nails and waxing. I do not use scary drills to do nail treatments, only hand file which gives you gentle care, no damage to your nail bed. I only use top quality products, but my prices are very reasonable as well. GELISH, OPI gel polish
