

Shimano deore XT v-brakes - parallel pivot (10 GBP)

Location **South East, Kent**
<https://www.freeadsz.co.uk/x-371734-z>

A pair of old style v-brakes with parallel pivot action. I have been running these on the front of my kona for the past few years (road use). These are great retro items and no longer available new. Whilst the parallel pivot looks great, they are known for wear. These don't feel loose but I did squeak a bit and I lack patience in the set-up department. Note, will need new pads. They weigh in at
