time for breakfast....because we provide you with a self serve continental breakfast, you can choose when to eat it,day night...or make a packed lunch to take out with you, it is your daily supply and your choice. Some B&Bs would rather you were out of the accommodation most of the day...we only require you to give us access at a mutually agreed time for a couple of hours each day so we can add supplies, empty bins, change towels etc. Our B&B also has a bell system, which links across to our cottage, and we are there to be of assistance as much or as little as you desire. Fort winks has its own parking and gazebo area, and a barbecue area and we supply a free disposable barbecue for you. We apologise but at this time we are unable to accommodate young children or pets, as the main cottage property and garden are still in the process of landscaping and renovation.
