Here we have an excellent example of the Yamaha YZF-R125, With so few miles on the clock, the bike is only just run in. The bike is in untouched/standard condition, just as it came out the crate. The bike comes with all original keys and manuals as were supplied new. This bike will comfortably do 100mpg which is far better than any car meaning more money in your pocket. This bike has Full Documented Service History and has had no expense spared in maintaining it. This is a learner legal motorcycle and can be ridden with just a CBT certificate. A tank pad has also been fitted to the bike, these protect the paintwork from rubbing with the riders jacket, they also look nice. The bike has been HPI checked and a Certificate will be presented with the bike. The paintwork has a few small stone chips but you really have to be looking for them to notice. Viewing is welcome any time and we guarantee you won't be disappointed. We also offer nationwide delivery, so if you prefer us to bring the bike to you just let us know! Give us a call for more info or pop in and view at CMC Coleshill. \*NOTE: Alarms can be fitted to any bike at an additional\*\*
