Here we have an excellent example of the Ducati 1199 Panigale. With so few miles on the clock, the bike is only just run in. New tyres have been fitted to the bike so no need to change them for a while! Stomp Grips not only protect the tank but allow you to firmly grip the tank between your legs. This bike is fitted with an Anti Lock Braking System (ABS), so no more need to worry about those drain covers or white lines. The bike comes with all original keys and manuals as were supplied new. This bike has Full Documented Service History and has had no expense spared in maintaining it. The bike has been fitted with braided brake hoses, this means there is no room for expansion as you get with rubber hoses giving much better braking efficiency. The bike has been HPI checked and a Certificate will be presented with the bike. All of our bikes also come with 3 years free legal cover. Viewing is welcome any time and we guarantee you won't be disappointed. We also offer nationwide delivery, so if you prefer us to bring the bike to you just let us know! Give us a call for more info or pop in and view at CMC Coleshill. \*NOTE: Alarms can be fitted to any bike at an additional\*\*
