SAS design and fabricate all of our steel work to suit each of our clients in our workshop. Our fully trained manufacturing team work closely with our designers to ensure a smoothly running production. We are able to produce mezzanines, stair cases, lift shafts, partitioning panels, self storage doors, complete self storage fit-outs, gates and railings and bespoke steel work. All of our steel work is available in a variety of finishes to suit our clients needs, whether that be to match existing or to create a unique finish. Please feel free to contact us if you have any questions or if you would like to obtain a free quote.
