Lovely antique bedroom furniture including a stunning carved satin walnut wardrobe. I have had it for the past 15 years and the furniture is in lovely condition .The sizes of the wardrobe are 48" wide ,21" deep and 93" tall. The item disassembles into 5 pieces so transport is easy (bottom draw section,mirror, LH wardrobe and RH wardrobe and the top carved section). The bed is a standard double with the older type sprung frame underneath which is very comfy . The mattress is not included in the sale. The overall sizes are 55.5" wide, 79.5" long and 57" tall which is unusual as quite often they have been cut lower. This is original . The dressing table measures 42" wide,20" deep and 63" high . Finally there is a stool , a lovely piece that adjusts in height by spinning the seat round. It is covered in its original fabric and is made from satin walnut like the rest of the furniture. The items are pick up only with cash please .I may split the items if there is enough interest .Thank you for
