Here we have an immaculate 2011 Honda CBF1000. With so few miles on the clock, the bike is only just run in. The bike is in untouched/standard condition, just as it came out the crate. This bike has a documented service history and has had no expense spared in maintaining it. The bike comes with all original keys and manuals as were supplied new. The paintwork is in great condition and has been fully polished by our on-site valet. The bike comes with a factory fit immobilizer, this stops a cloned key or screw driver being used to start the bike. This bike is fitted with an Anti Lock Braking System (ABS), giving you more confidence while riding. This bike is also fitted with Combined Braking System (CBS) giving a percentage of rear brake when you use the front brake giving you more stability on corner entry. This would make an excellent commuter bike. The screen on this bike is adjustable so you can set the screen to your preferred height and comfort. A tank pad has also been fitted to the bike, these protect the paintwork from rubbing with the riders jacket. The bike has been HPI checked and a Certificate will be presented with the bike. Viewing is welcome any time and we guarantee you won't be disappointed. We also offer nationwide delivery, so if you prefer us to bring the bike to you just let us know! Give us a call for more info or pop in and view at CMC Cannock. \*NOTE: Alarms can be fitted to any bike at an additional\*\*
