This is the Diesel Titanium model we have for sale here at acar2go so please don't confuse it with any of the lesser spec'd ones out there on the market. What separates this from the rest is the fact that pretty much everything you could want from a car this can give you, to list a few.....Half Leather Interior, Cruise Control, Dual Zone Climate Control, Heated Front Screen, CD/Radio with AUX & USB port and many more! Our Kuga has a Full Service History with 5 Stamps in the Service book, while here at acar2go the car has been given a comprehensive Multi Point Check. The high ride position is an absolute favourite with the children, it makes it nice and easy to drive as you have a commanding view of the road with great all-round visibility and inside the vehicle there is an enormous amount of room for all passengers to spread out and enjoy the ride no matter the length of the journey.
