

Custom built black Diamondback BMX bike for sale (160 GBP)

Location **South West, Avon**
<https://www.freeadsz.co.uk/x-372567-z>

Custom built black Diamondback BMX 19" Wheels 360 degree rotating handle bars Fully working front brake and adjustable seat to suit your ride. Great for Beginners or for Pros. I've only had it for around a year but it's hardly been used. Was worth £300 but would like to sell as I now have another bike. There's only a scratch or two but it's in great working condition. Will throw in a helmet at well. If you're interested please get in touch. £160 Thanks;
