At TLC we have over 12 years experience in all aspects of the water industry. Starting in domestic plumbing then moving on to gas works and drinking water systems, our industry expertise is second to none which means we are able to advise our customers on the best and most cost effective solution for their needs. We are fully insured for all gas, water and plumbing works and are GAS Safe registered. We also hold a UDHWS certification which means we are certified to install, repair and maintain unvented hot water storage systems. Based in Hedgerley South Buckinghamshire, we cover a 25 mile radius giving us easy access to most parts of Berkshire, Buckinghamshire, Middlesex and West London. If you fall outside of this area, please give us a call to.
