We are a family based domestic support service with over 30 years experience in care and domestic services. We have strong ethics and morals about supporting people to feel safe at home and assist you in living in your own home as long as possible. We will not only provide a cleaning service but offer support for disabled adults and the over 50's. It is not easy doing everything on your own when you struggle, let us help, we will not criticise or judge it's just a part of life that sometimes we cannot cope. We have a wide range of services available at a very competitive rate. Visit our website for more details www.clean4company.com;
